				Static	Dynamic	Racking	Full Truck	LTL
	Full Perimeter	Open	42.3 x 42.3 x 4.75	4400	2750	NR*	588 per Truck	21 per Stack
			1100 x 1100 x 120	2000	1250	testing req'd		

Benefits

1. Perfectly cubes out a 20' or 40' sea container, world-standard size for ocean shipment. ISPM15 exempt at the same time
2. Commonly used for bulk bags. Has been successful with all sizes and weights of products / bags
3. A favorite of the resin industry, along with our PWL4845 & PWL CP7
4. Great general use pallet. Used in most hygienic pharma and heaviest industrial applications. Handles all loads and environments with ease
5. Problem Free pallet! Remove all hygienic, mold, bacteria, ISPM15, USDA, FDA or F.O.D issues today. Fraction of the weight, zero of the problems
6. Decrease staff injuries & OSHA incidents. Increase moral! Only 16 pounds, 70% lighter than standard wood pallets. No nails or splinters to injure staff

Uses

7. Automation friendly! There is NO better pallet for your automation needs. No nails, splinters or F.O.D
8. Stop product & personnel damage today. No nails or splinters to injure staff or product packaging
9. Unitization issues GONE! Closely spaced deck, no board spacing issues. 6 runner base evenly distributes load, no hot spots or stability issues
10. Brand Equity. Avoid compliance and customer complaint that damage your reputation and balance sheet
11. Mold & Fungus issues solved. Impervious to liquids. No mold, mildew, fungus. Nothing biological can grow on a plastic pallet
